

THE EARTH INDIA CO.

POWERING INDUSTRIES
ACROSS THE WORLD

POWER TRANSMISSION BELTS

High Performance. Reliable.
Built to Transmit Power Efficiently.

Our Power Transmission Belts are engineered for superior performance, durability and efficiency across a wide range of industrial applications.

POWER TRANSMISSION BELTS

POLY V BELTS

**Compact Design.
High Power Transmission.**

Our Poly V Belts are designed for smooth, efficient and reliable power transmission in compact drive systems. They offer high flexibility, low vibration and superior performance for a wide range of industrial applications.

Thank You

We sincerely appreciate your time and interest in The Earth India Co.

We look forward to the opportunity to work together and support your power transmission belt requirements.

Warm regards,
The Earth India Co.
